

Updating Account Information

IRMA Partner Access Account information can be updated by the partner once the user is logged in. To log in with a Partner Access account, navigate to an application available to partners such as SRTS, RPRS, or NPSpecies. Click the Log On link in the top right corner of the page.

Welcome to the Survey Request Tracking Solution (SRTS)

If you would like to create a Survey Request, you first must sign up for an NPS Partner account. Use the link below to sign up for an NPS Partner account or log into the SRTS application if you already have an NPS Partner account. At the bottom of this page, you will find a list of the active surveys for the current calendar year.

Enter the username and password for the Partner Access account and click Sign In. Three failed attempts will result in the account being temporarily locked.

Welcome to the Survey Request Tracking Solution (SRTS)

NPS employees, or users with an NPS Partner account, must request a Principal Investigator account in order to create a Survey Request or search for existing Survey Requests. Use the link below to request a Principal Investigator account. An email notice will be sent to you once your account request has been approved.

Sign up for a Principal Investigator account to submit survey requests

Download documents

All other partners can use the following link: <https://irma.nps.gov/PartnerSTS/Account/Applications>. From the menu click Account > Update.

The screenshot shows the 'Partner Access' interface. At the top, it says 'Partner Access Part of IRMA' and 'National Park Service U.S. Department of the Interior Natural Resource Stewardship and Science'. The navigation bar includes 'Home', 'Account', and 'Access Applications'. The 'Update' link is highlighted. The main heading is 'Access Granted'. Below it, a message states: 'Your account grants you access to the following NPS applications:'. Three applications are listed: 'NPSpecies - NPS Species Park Management' (An NPS web site for viewing data about species in parks.), 'RPRS - Research Permit and Reporting System' (Allows researchers to apply for and report on scientific research conducted in parks.), and 'SRTS - Survey Request Tracking Solution' (An NPS web site where one can apply for permission to conduct surveys within a national park.).

On the Update Account Info page, all partner information except username can be modified. Click Submit Information when finished.

The screenshot shows the 'Update Account Info' page. It features a form with the following fields: 'First Name*' (bighair), 'Last Name*' (Doo), 'User Name (Not Editable)' (bighair), 'Email*' (bighair101@yahoo.com), 'Current Password*', 'New Password*' (with a strength indicator of 100% and requirements for 12 characters, lowercase/uppercase letters, numbers, and symbols), 'New Password Confirm*', 'Security Question*' (What was your high school mascot?), and 'Security Answer*'. There are 'Submit Information' and 'Cancel' buttons at the bottom.
